Hi Rich -

I checked with Dennis and we are both available. One of us can run over to the START office and be there to sign the manifest, etc....

Have Suddha contact us to let us what time the truck will be there -

Are either of you available to sign for this drum of waste from Dimock? We demobed the site and START took the drum with them to Wheeling. As you know, part of signing the manifest (at least the way I was mentored) is to make sure the truck is properly placarded and the driver seems responsible, etc. Its only one drum, so I will sign it in advance...something I don't like to do.... however, thought maybe one of you would be available to run over there and do this.

Let me know.

thanks.

Rich

Hi Rich,

We have the drum of IDW from Dimock scheduled for disposal on 10/22/12 (next Monday). I need to coordinate with the disposal company to have the manifest shipped to you or someone in EPA to sign it. Would you want to sign it, or

do you want someone local (Wheeling OSCs) to sign it? The difficulty will arise in the timing, as there is not much time for FedEx ing the manifest back and forth. But, if you can let me know, I can arrange it accordingly.

Thanks,

Suddha Graves
